

Stay informed

Read weekly emails sent from the district, attend OSSTF meetings and social gatherings held by your local Branch Executive, participate in union organized events/activities. Check out our website homepage for hot topics and upcoming events.

Know your Contract

Get to know your Collective Agreement. It can be a lengthy read - revisit it from time to time.

Join a Committee

There are several locally led committees: status of women, human rights, political action, educational services, and the black caucus. Check out the committees page on our website and Speak to your Branch President to share your interests and see how you can get involved.

D16 T/OT Executive Team

Consider putting your name forward for a position to join the D16 T/OT executive team. There are many different positions, some elected and some appointed. Some are time-release while others you still teach during the day.

7 Ways to get involved with YOUR UNION

Local-Level

Attend the annual AGM where we make decisions on how we operated our union at the local level. Read our local constitution to understand our current processes.

Branch Executive

Take a leadership role at your school. Put your name forward at the June staff meeting for a position on your local executive team.

Attend AMPA

AMPA is the Annual Meeting of the Provincial Assembly. This meeting joins delegates from bargaining units all over the province to review and make changes to our provincial constitution. If interested, be sure to read your email updates and reply with interest when the request comes out for delegates to attend.
