

BLACK CAUCUS

carmella.goodridge@osstfd16.on.ca

The D16 T/OT Black Caucus is a group that wishes to create a space to voice and address personal aspirations, group objectives, systemic issues and action plans around the lived experiences of African, Caribbean and Black identifying teachers.

The Black Caucus Committee provides opportunities to connect, learn and be supported both individually and collectively.

Our Committee:

- ✓ Promotes Black members to be leaders, mentors and role models who strive towards making our work environment inclusive, safe, and equitable.
- ✓ Provides workshops to assist in professional development, mental health and wellness supports and related matters of interest to the collective group.
- ✓ Identifies dismantling anti-Black racism needs of the Teacher/OT Bargaining Unit.

Do you want to take on a leadership role in bridging the union and the membership?

Are you interested in the election process at local, provincial and federal levels?

During bargaining years, do you want to bring school level ideas into how we organize members?
